

For more than 27 years, WSCAD has offered companies and freelancers a quick and reliable E-CAD solution with superior cost-effectiveness for all electronic planning and documentation. The modular and scalable software places all the necessary tools for the planning, project design and development of electrical systems and devices in the hands of users from the electrical engineering, switch cabinet construction, P&ID, fluid technology, building automation and electrical installation sectors.

WSCAD is part of the Buhl Group, an owner-managed corporation with its headquarters in Neunkirchen (Siegerland). In order to strengthen our team, we are, with immediate effect, looking to fill the following role at our **headquarters in Bergkirchen, near Munich:**

System Administrator (m/f)

Focus on DevOps

What is expected of you?

- Interface between operation of the IT infrastructure and software development
- Automation of the development process by means of the development and optimization of Continuous Delivery and Continuous Deployment
- Close collaboration with software developers
- Gradual expansion of DevOps expertise
- Operation of the IT infrastructure (as a team), as well as solutions in Azure and Amazon Web Services (AWS)

Requirements:

- Training as an IT specialist in system integration or a degree in an IT-related discipline
- A minimum of 3 years' professional experience in administration of Linux systems and databases (SQL, NoSQL)
- Ideally, initial experience in the area of DevOps (Continuous Integration, Delivery & Deployment) and a willingness to build up expertise in this area
- Knowledge of configuration management tools, such as Puppet
- Basic knowledge of scripting (Bash, Perl) and/or programming (Java, C#, .NET) is desirable
- Experience with Cloud solutions (Microsoft Azure and Amazon Web Services), as well as web servers (Apache, IIS)

What we are offering:

A growing company

Home Office

High-quality professional development

Flexible working hours

Employee discounts

Family-friendly

Company events

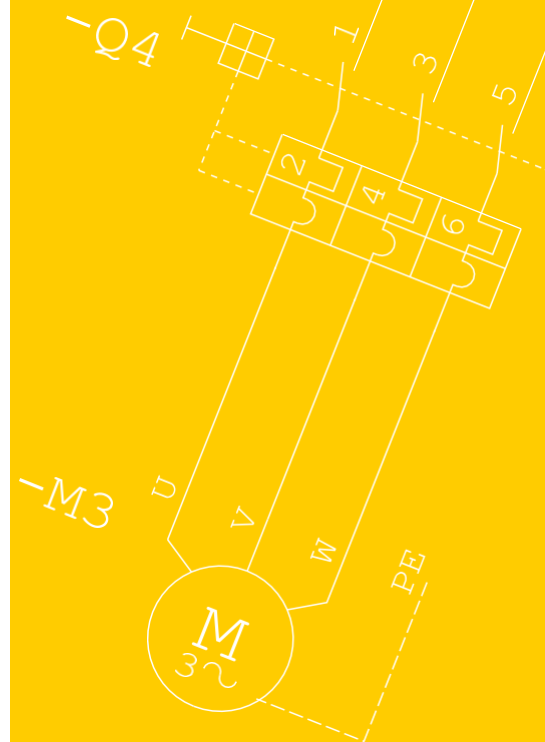

Parking facilities

Interested?

Then, we look forward to receiving your informative application, indicating your expected salary and your earliest possible start date.
